

## **OUR LADY OF ASSUMPTION PARISH NEWS**

### **New Church Building - Parish Meeting**

As many of you are aware, our Parish purchased 10 acres of land on the west side of Sylvan Lake several years ago in order to build a new church. We fully paid off the purchase cost of the land last year and we are now finalizing the concept drawings of the new building. As part of this process, the parish is will be holding a general meeting of all of our parishioners to discuss and review these conceptual drawings. We invite you all to attend this meeting to review and provide feedback on this structure that will serve our families and youth in the future.

The hour and a half meeting will be held in Our Lady of the Assumption Church on Thursday, October 18th beginning at 6:30 p.m. Lee Phillips from Scott Builders will be present to present the digital walk through of the drawings. We are excited about this project and the revitalization that it can mean for our parish. Everyone is encouraged to attend and voice their comments on the plans.
