

Our Lady of the Assumption Parish
Sylvan Lake, AB
November 5, 2018

Dear parents/guardians,

At Our Lady of the Assumption Parish we greatly value the different programs and services that our church provides to our community. **The Children's Liturgy Program** is just one of these. This program is designed to bring Jesus to our community children at their own level. Many volunteers are needed to make this program viable and we need your help.

Please consider becoming an approved volunteer to take part in such an important ministry. Our parish needs you, but more importantly, our children need you. To keep this program running, we need a number of volunteers to make the load light. For safety purposes, a minimum of two approved volunteers are needed every Sunday. Currently, we do not have enough volunteers to run this program every Sunday. This is not acceptable for such a young and lively community. Remembering that many arms make the load light, we appeal to you. So, please let us know if we can count on you.

Our contact person is Alana Keating. Our phone number at church is 403-887-2398. Vivian Coderre will be more than happy to guide your steps to become an approved volunteer.

Thank you for taking an active role in the spiritual life of our children.

In Christ,
Miriam M Hick
Our Lady of the Assumption Parish
