Prayer for End of the Year

As our school year draws to a close, we give you thanks Lord for the blessings that we have received this year. We have had many successes this year for which we are grateful.

As we leave our school communities for holidays, let us be guided by your desires for us, Lord. Watch over us and keep us safe as we have many new adventures this summer. Be with us as we join together with both new and old friends. And when we return in the fall, let us be refreshed and ready to continue to embark on our faith journey together.

Amen
