---

Dear parents and guardians,

As we come to the end of our second week of online learning, we would like to thank you and your children for all the work and perseverance in regards to our new digital platforms. We are here to help and want to assist in making this new learning experience as positive as it can be. As a staff, we value connecting with students and families and look forward to receiving your ongoing feedback.

Today, Holy Thursday, leads into one of the most important events on our church calendar. Through this Holy Week and culminating on Easter Sunday, we honour the sacrifice Jesus made for us and celebrate in His Resurrection. It is difficult not sharing this occasion with our school community, fellow parishioners and extended families. You may consider virtually watching masses from your home on [Grandin Media](#).

Our school community is looking forward to this Easter weekend as a chance to spend time in celebration and prayer with our families. We look forward to connecting with your children on Tuesday. May God bless you and yours during this Easter weekend.

Yours in Catholic Education,

Rob Coumont  
Principal
