As our academic year ends, and we reflect on the year that was, we will have many memories that are far different than we would ever have expected. This year will be the year that we will look back at and remember all of the good things we did at school, how we embraced change and resiliency with grace and kindness along with fond memories of time spent at home with family, learning in new ways. We are a part of history!

We appreciate and congratulate the work of our students and families during distance learning. These have been exceptional times, and all that was achieved could not have happened without the teamwork and support from you, our families. Take the time to celebrate your accomplishments. We wish you a safe and blessed summer!

Lord, light the path and I will lead others

Yours in Catholic Education,

Rob Coumont
