September 4, 2020

Dear Parents and Guardians,

What an amazing first week of school! It was wonderful having your children in École Our Lady of the Rosary School again; we missed them so much! Something that really stood out to Madame Alford and myself was the beaming smiles of students in classrooms and hallways. They were so excited to see their friends and teachers again.

With the staggered entry this week, students were able to get comfortable with the new safety protocols and standards. These standards included sanitizing or washing every time they changed rooms with the school's sanitizer, having staggered recesses, and staying within cohorts while using and promoting social distancing whenever possible. At the staggered entry times, students and teachers were able to connect with one another once again. We know it was difficult not coming into the school with your children on their first days. We truly appreciate your support and understanding with the safety protocols implemented this year.

Coming into next week, we will continue with our staggered entry days until Wednesday, Sept. 9th when all our students will join us. Our staff eagerly awaits this day as we come together as a whole school community! We will keep the same entry and exit times for the remainder of next week, Sept 8-11. When we adjust these times your teacher will communicate it to you. Please know that regardless of entry or exit times, we have supervision in the morning starting at 8:10 a.m. and at the end of the day until 3:10 p.m.

We wish you many blessings over the September long weekend!

Yours in Christ,

Rob Coumont

Principal

Lisa Alford

Vice Principal
