November 27, 2020

Dear ÉOLRS Families,

We hope this letter finds you well. As we are nearing the Christmas season, we again are looking to support our local families in need. Unfortunately, due to COVID-19 protocols we will not be able to host our annual White Elephant Sale, and we look forward to continuing this important social justice tradition next year. We **will** still have our Train of Hope where we collect food items for our families in need and our local food bank.

Our Train of Hope will look a little different this year as we can't have families bring in and donate food as we usually do. However, if you want to send any non perishable food items with your child that would be greatly appreciated. We will be collecting these food items from December 1st to December 14th.

Please find below a Sylvan Lake Community Food Bank wish list.

We want to thank you in advance for supporting our local social justice projects.

Sincerely,

ÉOLRS School Council
