Dear Parents/Guardians,

As you are aware, Mme Masikewich is going on leave as of February 19. Her last day of work with your children will be on February 12. We wish Mme Masikewich and her family many blessings during her leave.

At the same time we are also excited to announce that Mme Krehmer will be in Grade 2 French Immersion to teach your children during Mme Masikewich's leave. Mme Krehmer has been a guest teacher in French Immersion classes in Red Deer Catholic Schools and has previously taught in grade 1 and grade 2 French Immersion. Mme Masikewich and Mme Krehmer will have the opportunity to work together for a couple of days this coming week. This will be an opportunity for Mme Krehmer to be introduced to the class and for our students to get to know their new teacher before her start date of February 22.

We want to thank Mme Masikewich for the dedication and caring she has shown her students this year. We also want to extend many blessings to Mme Krehmer as she continues to support our students in learning, listening and following Jesus at École Our Lady of the Rosary School.

Yours in Catholic Education,

Rob Coumont
