Dear Grade 4 Parents/Guardians:

We pray this letter finds you well as we continue through Lent heading towards Easter. Thank you for your continued support and cooperation throughout our 2020-2021 school year. The Alberta Education survey we had mentioned previously will be sent to you this week. This survey will be asking about your satisfaction with our school community. The results of the Alberta Education survey, along with the Schollie Survey you have already completed, are used to celebrate the wonderful things we already do at École Our Lady of the Rosary School and to help address school needs.

We are excited to share with you our [Annual Results Report](#). On this report you will see our Principles of Practice, Insights, Faith Survey Results, Targeted Areas and Priorities. This report may assist you in completing the Albert Education Survey. **It is important to note that if you indicate “Don’t Know” on the survey question, it is calculated as “not satisfied”. If you aren’t sure of an answer, please ask your teacher, office staff, or your child for clarification. If you remain unsure then leave your response blank or select the option N/A as the survey recommends. (Picture below illustrates this).**

How satisfied or dissatisfied are you that:	Very Satisfied	Satisfied	Dissatisfied	Very Dissatisfied	Don't Know	N/A

The package you will receive from Alberta Education will provide you with a random access code to complete the survey online. If you would prefer a paper survey, requests can be directed to System Assurance Branch, (310-0000 toll free or [EDC.SystemAssurance@gov.ab.ca](mailto:EDC.SystemAssurance@gov.ab.ca)), or contact us at the school and we will contact them on your behalf. If you would prefer a survey in a language other than french or english also contact us at the school and we will get a translated version for you if the requested language is available.

As a staff, we are very proud of the work we do every day to provide high-quality, Catholic education for your children in a safe and caring environment. Your feedback is essential for us to celebrate, grow and improve. Please take the time to respond fairly, as every family’s input is truly valued.

We would like to thank all parents for continuing to trust us with the honourable task of educating your children. If you have any questions, please do not hesitate to contact the school.

Yours in Catholic Education,
