

May 21, 2021

Dear Parents/Guardians,

Welcome back! We are excited to see your children as they return to in-school learning on Tuesday, May 25, 2021. We THANK YOU for your support as always and want to recognize the great job staff, students and families did in continuing student learning over the past two weeks of At-Home Learning. You have been amazing!

As we transition out of Google Meets and back to In-Person learning, we want to remind you of some of the risk mitigation protocols our school community has in place, understanding that COVID restrictions are ever-changing, and we may need to make some adaptations:

- Daily Screen: We ask that parents ensure that they are completing the [daily screening](#) of their children prior to sending them on the bus or dropping them off at the school.
- Wearing masks: This continues to be mandatory for Grade 4 students.
- Cohorts: Students will remain in their classroom cohorts. When students leave or enter the classroom they are required to sanitize or wash their hands.
- Recess Streams: We will continue to have two morning and two lunch recess times, with students in zones by their grade at lunch recess.
- Entrance/Exits: When students arrive or leave, they will continue to use their designated entrance and exit doors with classes entering and exiting one at a time. Students are still required to sanitize their hands when entering and exiting the building.
- Hand Washing/Sanitizing: Students and staff continue to wash or sanitize their hands as they enter new spaces.
- The [RDCRS Parent and Student Handbook](#) continues to be updated with the latest information and aligns with the measures implemented by our school division but also the provincial government.

- RDCRS COVID hotline continues to be active. Please continue to call or text 403-588-8155 to access this hotline if you need support.

The safety of our students and staff will continue to be a priority as we take our direction from the Alberta Government, the Chief Medical Officer, and our Superintendent. If you have any questions or concerns please, do not hesitate to contact the school.

Yours in Catholic Education,

Rob Coumont
