October 22, 2021

On October 29th students will have an opportunity to participate in our annual Halloween Parade. This parade will occur in the soccer field and students will go out in their streams (recess groups). Students will walk around the center of the soccer field while other classes in their stream watch and cheer them on. Each class will be socially distanced as we are not mixing cohorts. If the weather doesn't cooperate then we will have the parade go through the school, with live recording to occur to share with families and other classes.

We will share a live video with our parent community as we cannot host guests on site and create a gathering. We look forward to sharing the fun with you on our [Facebook page](#) using Facebook Live.

This parade will occur in the afternoon of the 29th with each stream taking a 35 minute turn to have their Halloween parade. We hope you are able to enjoy the video. If you have any questions please do not hesitate to contact the office.

Stream A	Mrs. Fercho's Kindergarten Class Grade 2 Grade 4	Facebook Live will begin at approximately 1:10 p.m.
Stream B	Mlle LeBlanc's Kindergarten Class Grade 1 Grade 3	Facebook Live will begin at approximately 1:50 p.m.

Yours in Catholic Education,

Rob Coumont
Principal

David Griffin
Vice-Principal
