

June 27, 2022

Dear Parents and/or Guardians:

Thank you for another wonderful year at École Our Lady of the Rosary School. We are very proud of all our students for learning, listening and following Jesus. We wish many blessings to our 2021-2022 grade four students as they transition to ÉMTS. Our year ended with the opportunity to have families in our building with many events, such as the Seven Sacred Teaching Awards, a school dance and Year End Awards. We appreciate the energy and enthusiasm these occasions brought and look forward to these opportunities next year. We would also like to thank School Council for their support and tireless efforts in these events as well as hot lunch and field trips. As we look forward to next year please see [this previously sent letter](#) for some start of the year information. Finally, we wish all our families a safe, restful and blessed summer.

"May the grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all." —2 Corinthians 13:14

Information Regarding Year End Live Reporting Grades 1-4

Consistent with our current Live Reporting practices we will not be sending home a paper year-end report, we will have digital year end progress reports that are accessed online. These marks will be accessible until *August 31, 2022*.

Your child's Certificate of Placement will be made available on *June 28th*. This certificate will be your child's grade placement, as well as information regarding how to access your child's digital progress report. The Certificate of Placement will be emailed to you as a PDF file from your child's teacher.

The digital progress report in Edsby will be consistent with the Live Reporting process that has been used over the last few years. Assessments on your digital progress report for Term 3 will include:

- Marks and Comments for all subject areas including Term 3 updates
- Comments on Growth as a Learner for Term 3

For Grades 1-4 there is a second page on the Certificate of Placement that will provide steps to access Edsby Live Reporting.

Please note Pre-K and Kindergarten will also receive Certificates of Placement from their teacher via email on June 28th.

We want to ensure you are able to access Live Reporting. Please find instructions to access your child's Edsby progress [here](#). Our office is open until June 29 so if you require support with accessing Edsby or Certificates of Placement that are sent out on June 28 please do not hesitate to call 403-343-2568.
